

A satellite view of Earth at night, showing city lights and aurora borealis. The Earth's surface is dark, with numerous small, bright yellow and orange lights representing cities and urban areas. A prominent blue and green aurora borealis is visible in the upper portion of the image, arching over the horizon. The overall scene is set against the blackness of space.

ZAPTEC

Grunnlagt: 2012

Kjerneteknologi: Kraftelektronikk

Hovedkvarter: Stavanger

www.zaptec.com

Vårt mål er å revolusjonere bruk av strøm innen en rekke bransjer som:

Elektrisk mobilitet , Solenergi, Strømnettet,
Luftfart og Romfart.

Zaptec utmerker seg i mellomstore til store installasjoner
- både i funksjonalitet og kostnader

A satellite view of Earth at night, showing city lights and aurora borealis. The Earth's surface is dark, with numerous small, bright yellow and orange lights scattered across it, representing city lights. A vibrant green aurora borealis is visible in the upper portion of the image, arching over the horizon. The Earth's atmosphere is visible as a thin, glowing blue line along the horizon. The background is a deep black space with a few distant stars.
